2 Supplier information

Company name ESBE AB				Company reg. no/DUNS no				
Address	Address Bruksgatan 22			Contact person				
	SE-333 75 REFTELE				Telephone +46 371 570 100			
Website:			E-mail order@esbe.se					
Does the comp	any have an enviro	nmental manage	ment system?	⊠ Yes	□No			
The company present certification in	compliance with	⊠ ISO 9000	⊠ ISO 14000	Other	If "other", please specify:			
Other informat	ion:							

3 Product information

Country of final manufacture Sweden If country cannot be stated, please state why									
Area of use Hot water- and heating installations									
Is there a Safety Data Sheet for this product?									
In accordance with the reg	gulations of the Swedish	Classificati	ion		Not relevant ■				
Chemicals Agency, please	e state:	Labelling							
Is the product registered in	n BASTA?				Yes	⊠ No			
Has the product been eco-labelled?									
Is there a Type III environmental declaration for the product?									
Other information: See pr	Other information: See product data sheet at ESBEs home page.								

4 Contents (To add a new green row, select and copy an entire empty row and paste it in)

At the time of delivery, the product comprises the following parts/components, with the chemical composition stated:										
Constituent materials/ components Constituent substances Weight EG no/ CAS no cation Comments										
Brass components	-	94%	12597-71-6		SV HC- subject (lead)					
Steel components	-	6%	SS 2331-06							

Other information:								
If the chemical composition of t finished built in product shoul								
Constituent materials/ components	Constituent substances	Weight % or g	EG no/ CAS no (or alloy)	Classifi- cation	Comments			
Other information: Lead is included in the candidate list (SV HC subject). Reporting to Echa is done by the raw.
